Virginia Tech • Virginia State University

Virginia Cooperative Extension programs and employment are open to all, regardless of age, color, disability, gender, gender identity, gender expression, national origin, political affiliation, race, religion, sexual orientation, genetic information, veteran status, or any other basis protected by law. An equal opportunity/affirmative action employer. Issued in furtherance of Cooperative Extension work, Virginia Polytechnic Institute and State University, Virginia State University, and the U.S. Department of Agriculture cooperating. Edwin J. Jones, Director, Virginia Cooperative Extension, Virginia Tech, Blacksburg; M. Ray McKinnie, Interim Administrator, 1890 Extension Program, Virginia State, Petersburg

The **Virginia No Till Alliance** exists to maximize farm productivity and profitability by promoting successful implementation of continuous no-till systems through shared ideas, technology, conservation and education.

The VANTAGE Board of Directors is made up of farmers and agri-business representatives in the Shenandoah Valley region of Virginia.

Harrisonburg Winter Conference February 17, 2016

This year's no-till conference will feature **Ken Ferrie**, a nationally renowned crop consultant from Heyworth, Illinois. Ken serves as a consulting agronomist for Farm Journal and plays an active role in Farm Journal's "Corn College".

Paul Bodenshtein is a Certified Professional Agronomist from Ashland, Virginia. Paul operates ag.systems, an independent agronomic services company.

Virginia Tech • Virginia State University

Natural Resources Conservation Service

Featured Speakers

Ken Ferrie grew up working on his Iowa family farm, tending hogs, cattle, and a dairy herd. He holds a bachelor's degree in Agricultural Science and Agricultural Business from Illinois State University. Much of his leading-edge agronomic training was received as an apprentice under Dr. Everett Dennis, private agronomist from Manhattan, KS. Ken currently manages Crop Tech Consulting (www.croptechinc.com) based in Heyworth, Illinois.

Plus

- * Local farmers and agriculture consultants
- * Trade show
- * Certified Crop Adviser/Nutrient Management Planner certification credits
- * Door Prizes

Paul W. Bodenstine is a graduate of the University of Tennessee with a B.S. in Plant and Soil Science. Bodenstine worked in commercial agribusiness as a professional agronomist for 20 years before starting ag.systems (www.agsystems.biz) a private agriculture research and development company. For the past 19 years, ag.systems has worked with commercial farms and private agribusinesses developing high yield crop production systems with an emphasis on balanced plant nutrition and plant health.
